

Test Case 0038

System: VirtuCardsClient

Description: Test to ensure that a client can select a new Avatar

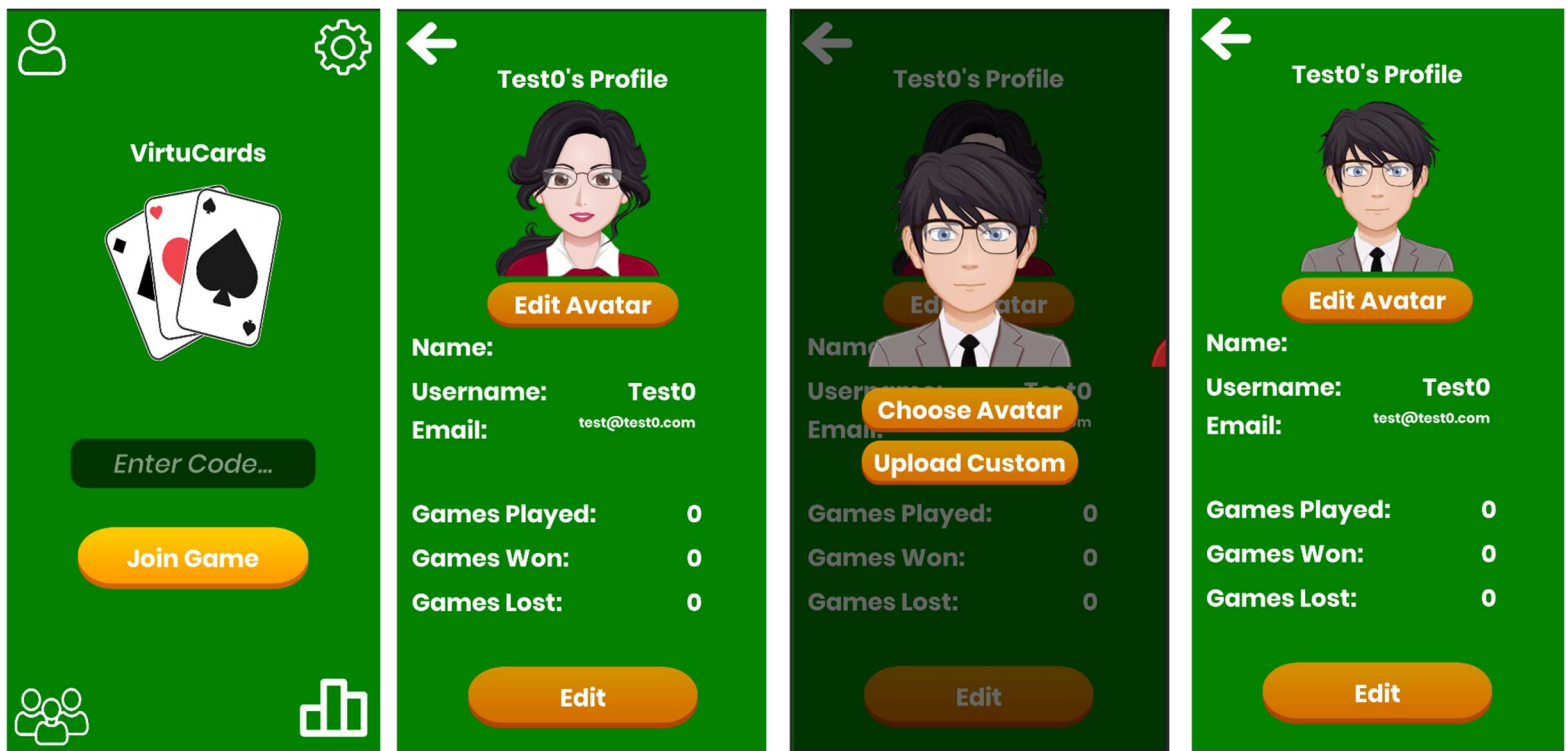

Severity: 3

Instructions

Test 1

1. Start VirtuCardClient application
2. Click the button labeled "Sign In"
3. Enter "test@test0.com" into the text input labeled "Enter email..."
4. Enter "Password!123" into the text input labeled "Enter password..."
5. Press the button labeled "Login"
6. A window should appear saying "Login Success"
7. Press the OK button that appears on that window
8. Click the Profile icon located in the top left of the screen.
9. Click the button labeled "Edit Avatar"
10. Select another Avatar

Expected Result: The profile page should reflect the new selected Avatar

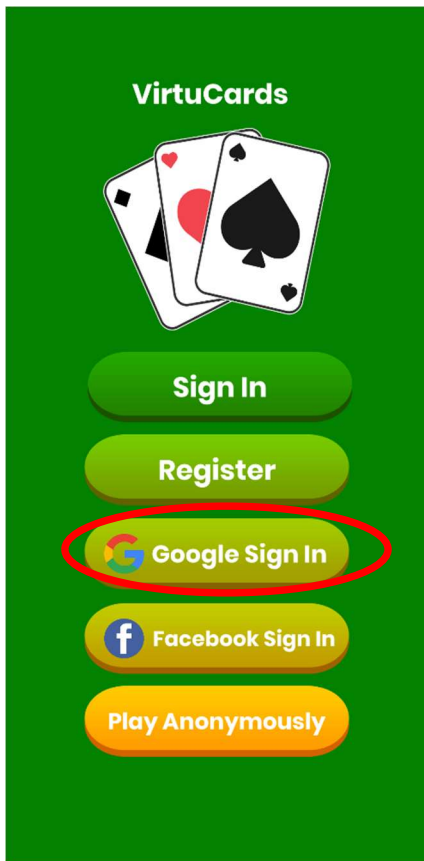

The above images outline the steps mentioned in choosing a new Avatar after logging in. The first image is the screen displayed after logging in; the second image is the profile screen viewed after clicking the profile icon; the third image is the 'Choose Avatar' screen seen after clicking the button of the same name; and the fourth image is the profile screen after selecting a new avatar.

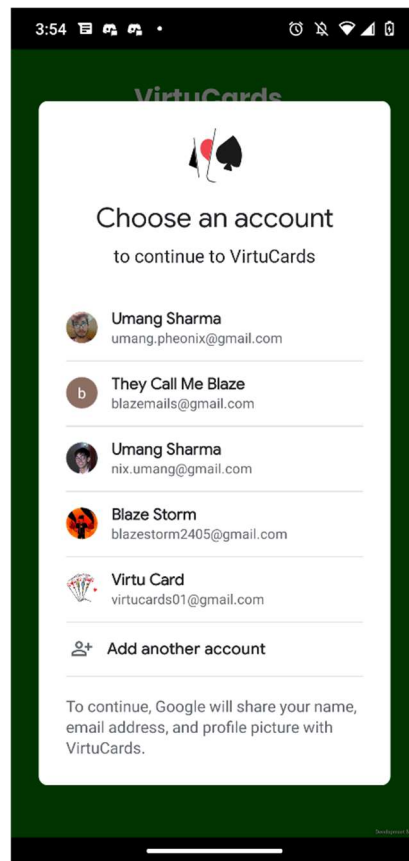

Test 2

1. Start VirtuCardClient application
2. Click the button labeled "Google Sign In"
3. Choose a Google account you would like to sign-in with.
4. Click the Profile icon located in the top left of the screen.
5. Click the button labeled "Edit Avatar"
6. Select another Avatar

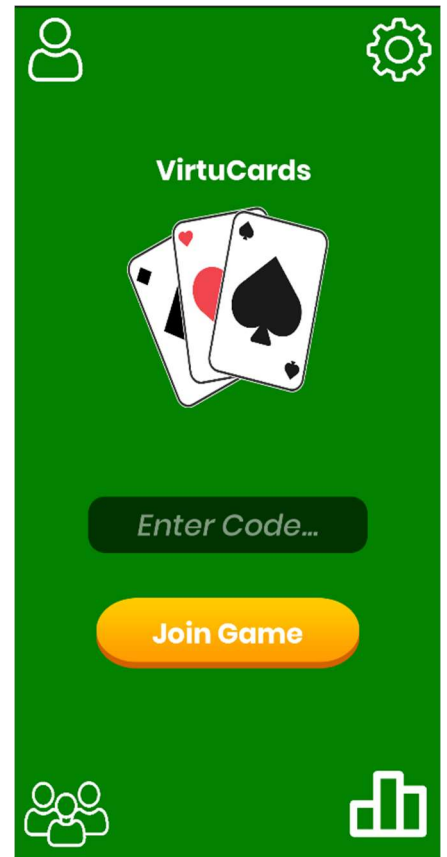

Expected Result: The profile page should reflect the new selected Avatar

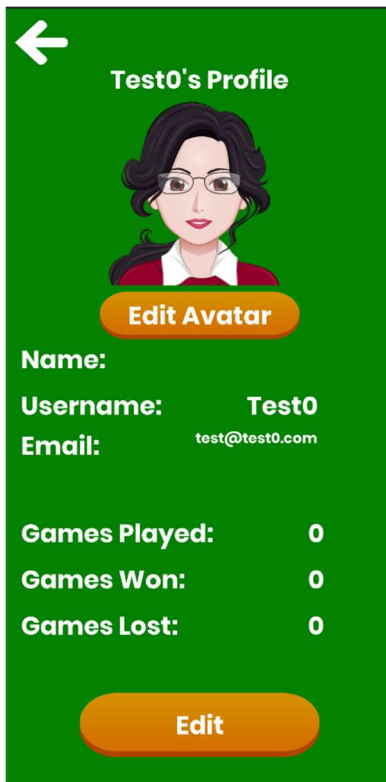

The above image displays the landing page. The Google Sign in button is highlighted as this is the sign-in method used in this test.

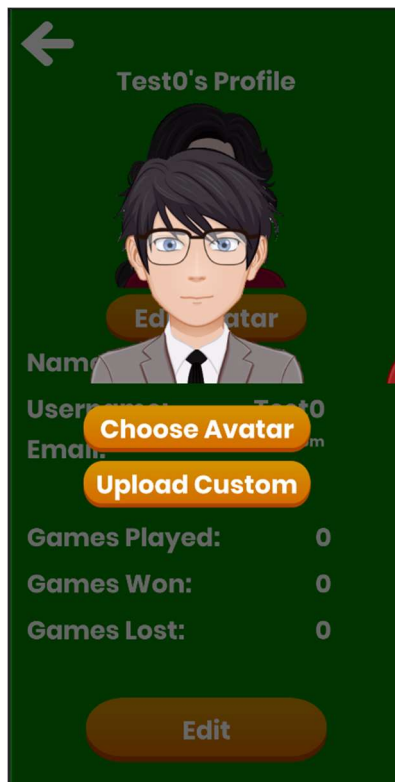

The above image displays the screen after the user presses the Google Sign in button. Choose your desired account from the ones displayed on your screen. The accounts above are examples

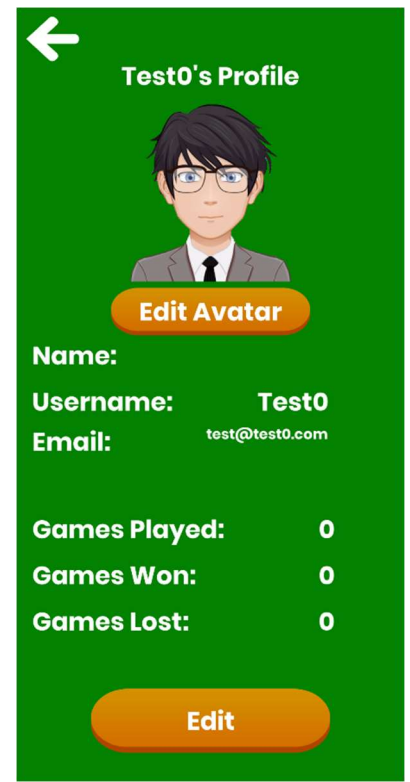

The Join Code screen will load after the user chooses their desired Google account. Click the Profile Screen icon in the top left.

The above image displays the Profile Screen. Click the Edit Avatar button.

Choose the desired Avatar by swiping and click the Choose Avatar button.

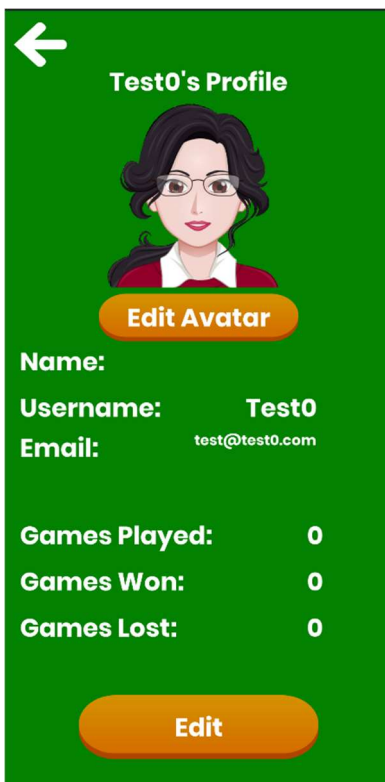

The Expected Result is that the chosen Avatar is shown above the Edit Avatar button now.

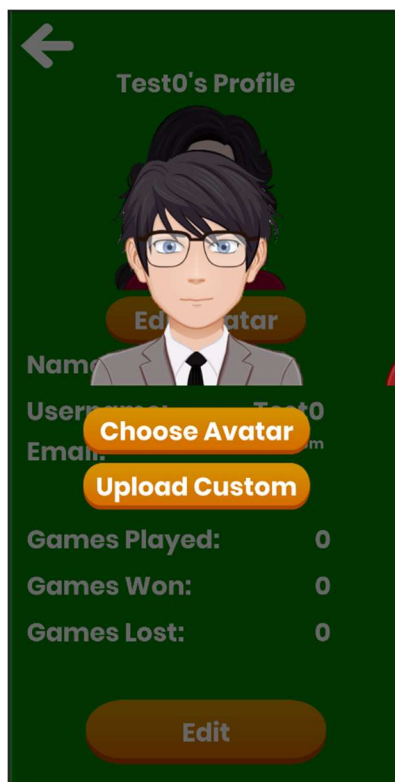

Test 3

1. Start VirtuCardClient application
2. Click the button labeled "Sign In"
3. Enter "test@test0.com" into the text input labeled "Enter email..."
4. Enter "Password!123" into the text input labeled "Enter password..."
5. Press the button labeled "Login"
6. A window should appear saying "Login Success"
7. Press the OK button that appears on that window
8. Click the Profile icon located in the top left of the screen.
9. Click the button labeled "Edit Avatar"
10. Select another Avatar
11. Close the application
12. Start another instance of the VirtuCardClient application
13. Repeat Steps 1-8.

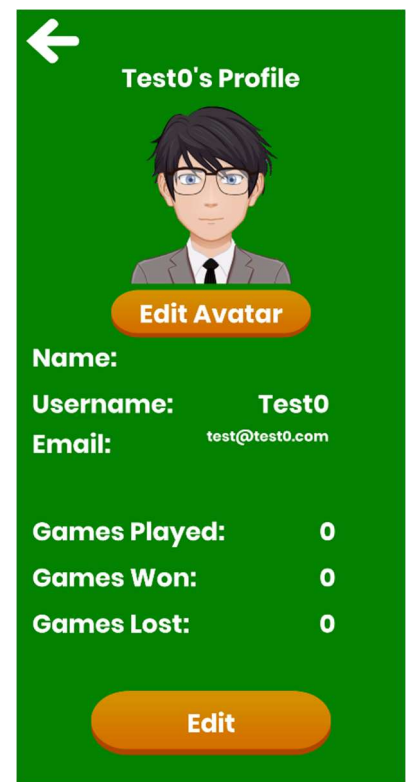

Expected Result: The profile page should reflect the Avatar that was chosen before closing the application.

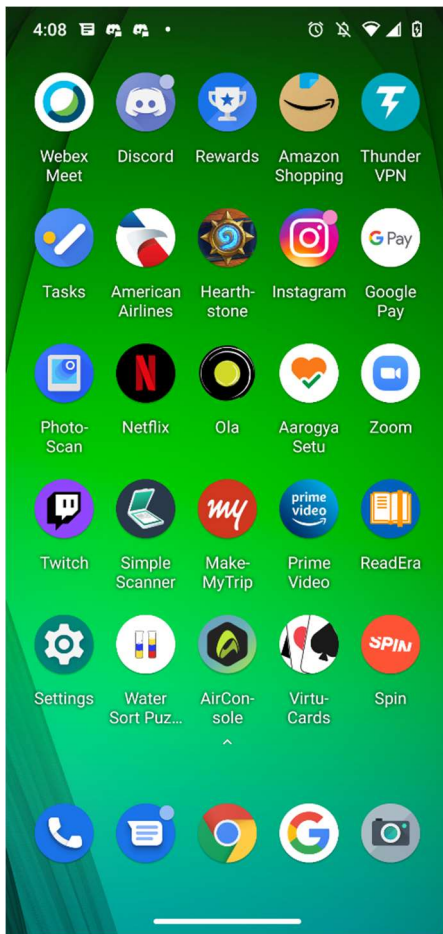

Click the Edit Avatar button on the Profile screen to change the avatar.

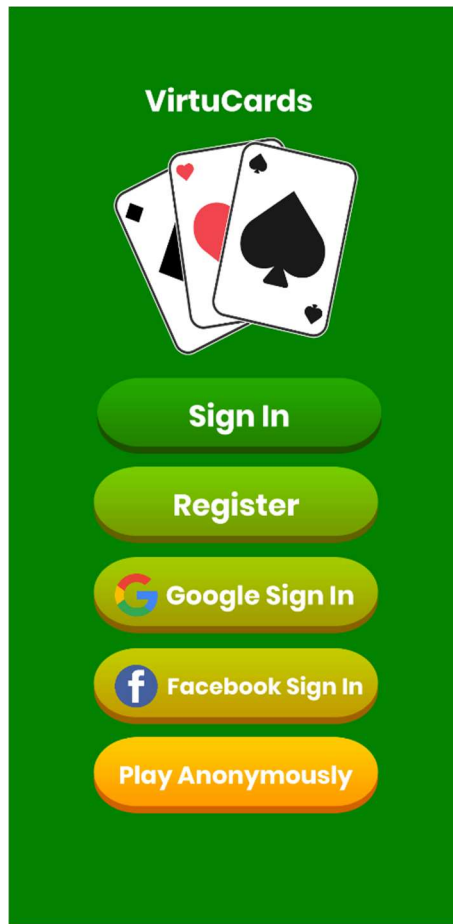

Choose the desired Preset Avatar by swiping left or right on the screen. Click the Choose Avatar button when the desired avatar has been selected by centering it on the screen.

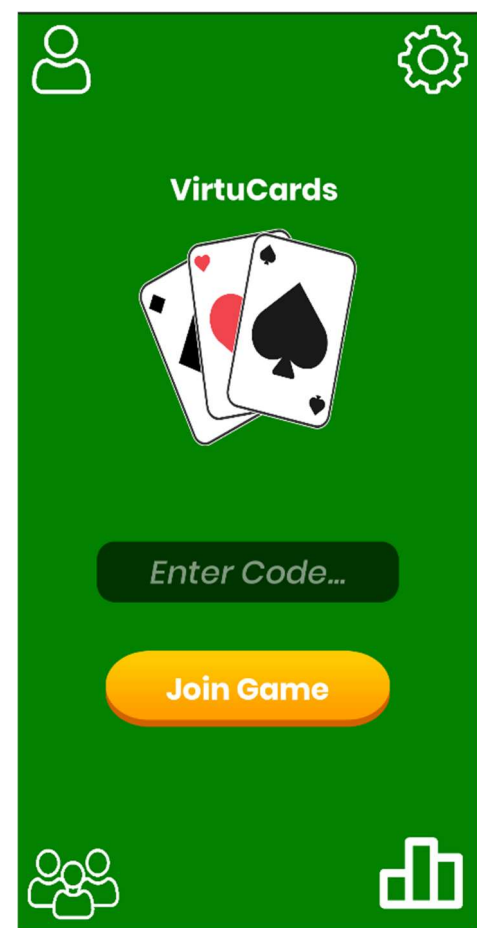

The Avatar should be shown now above the Edit Avatar button.

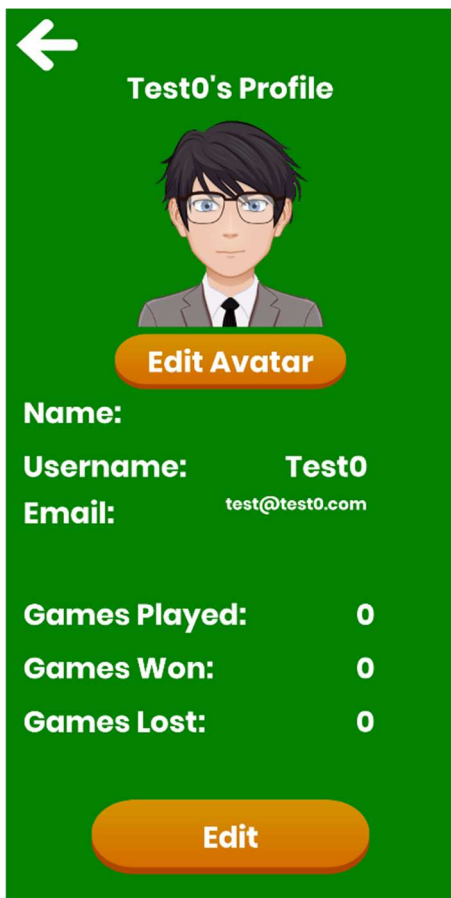

Close the VirtuCards application.

Restart the VirtuCardsClient application, and sign-in using the credentials mentioned above.

Click the Profile Icon in the top left screen.

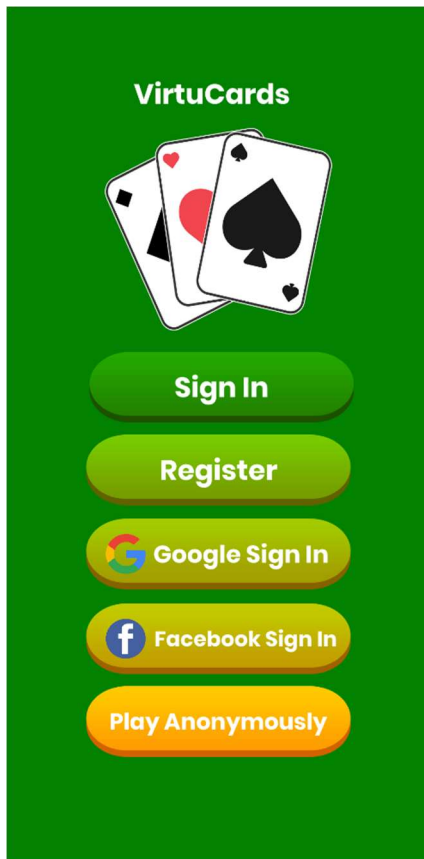

The Profile Screen should display the chosen Avatar now.

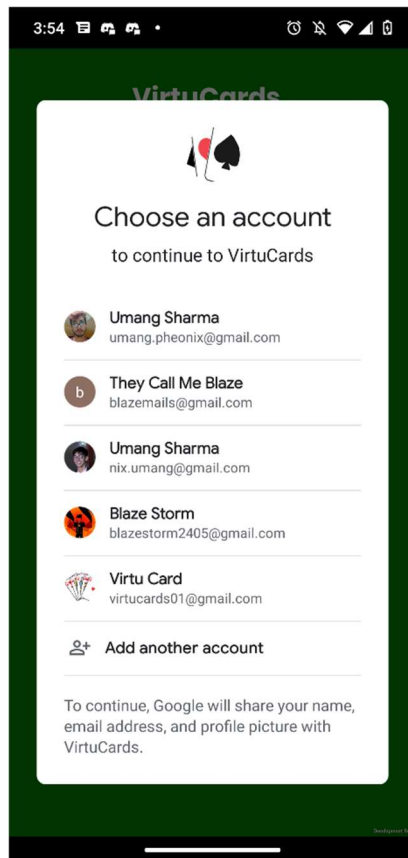

Test 4

1. Start VirtuCardClient application
2. Click the button labeled “Google Sign In”
3. Choose a Google account you would like to sign in with.
4. A window should appear saying “Login Success”
5. Press the OK button that appears on that window
6. Click the Profile icon located in the top left of the screen.
7. Click the button labeled “Edit Avatar”
8. Select another Avatar
9. Close the application
10. Start another instance of the VirtuCardClient application
11. Repeat Steps 1-8.

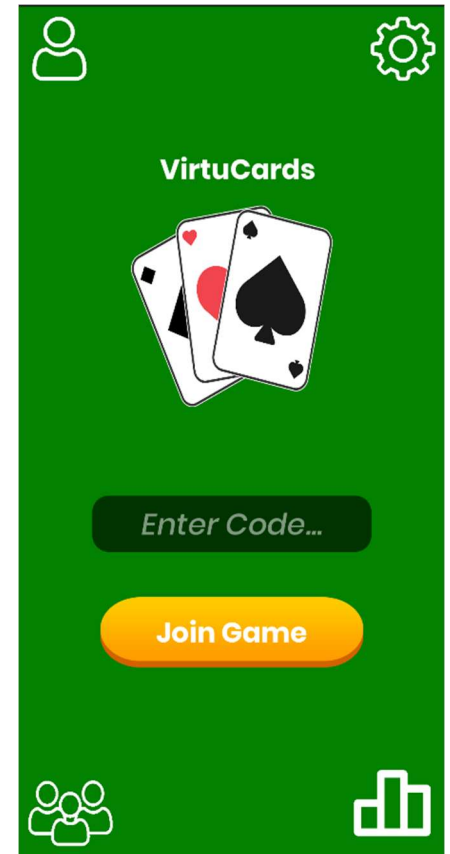

Expected Result: The profile page should reflect the Avatar that was chosen before closing the application.

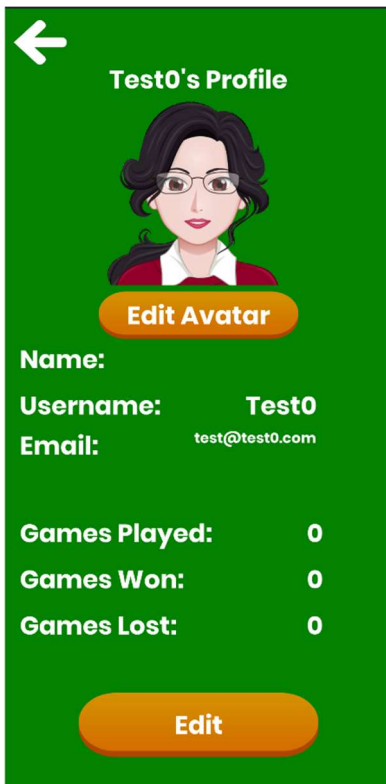

Click the Google Sign In button on the landing page.

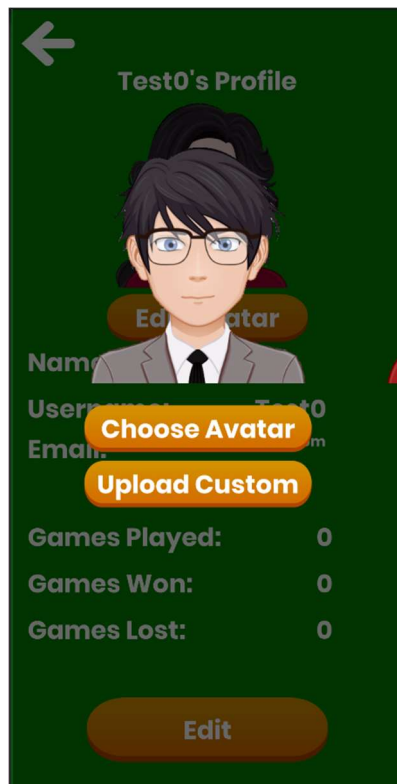

Choose your desired Google account.

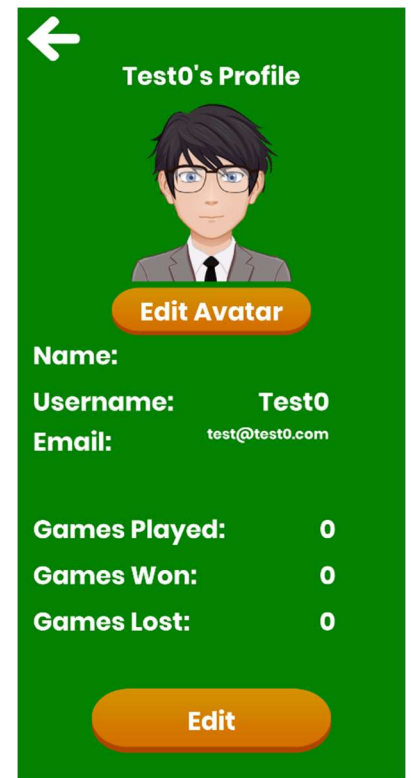

Click the profile icon in the top left of the screen.

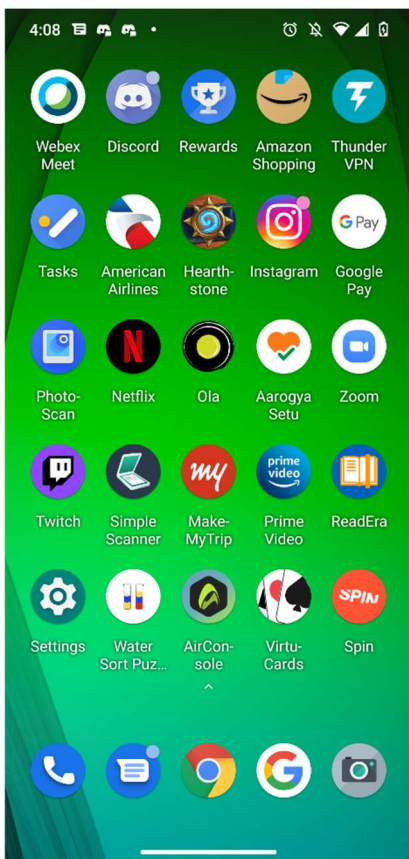

Click the Edit Avatar button.

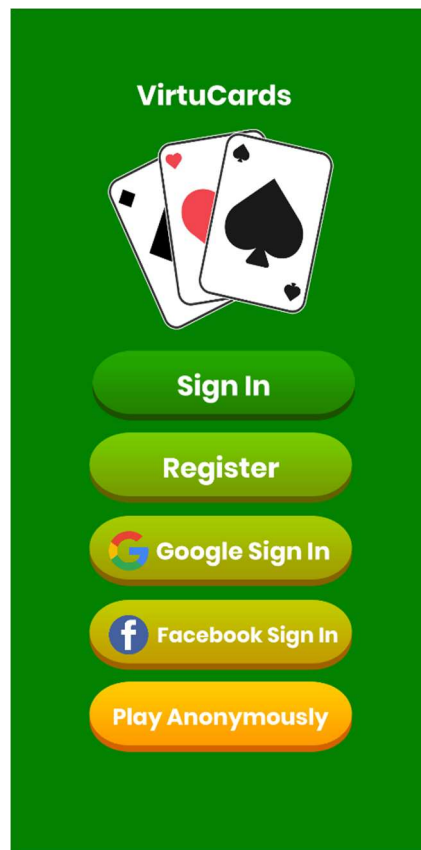

Choose your desired Avatar by swiping. Then click the Choose Avatar button.

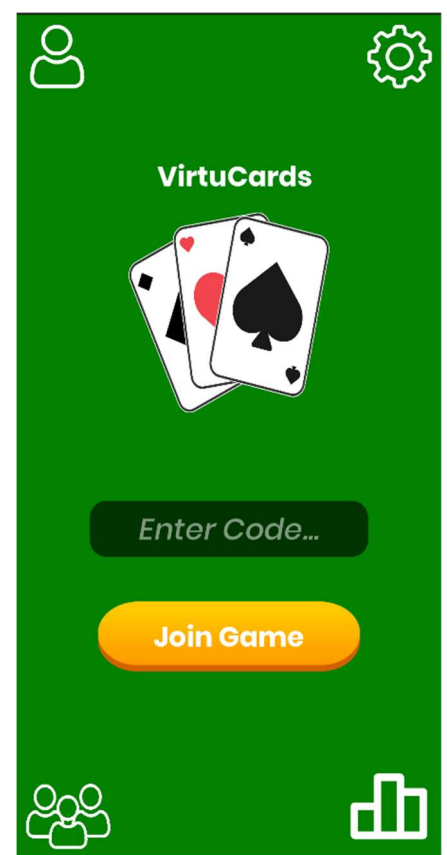

The chosen avatar should now be displayed on the profile screen.

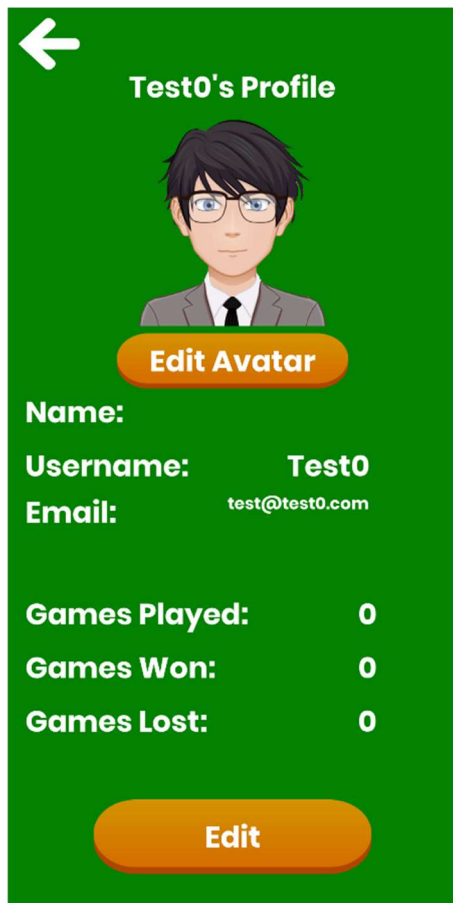

Close the application.

Restart the application and click the Google Sign In button.

Click the profile icon in the top left of the screen.

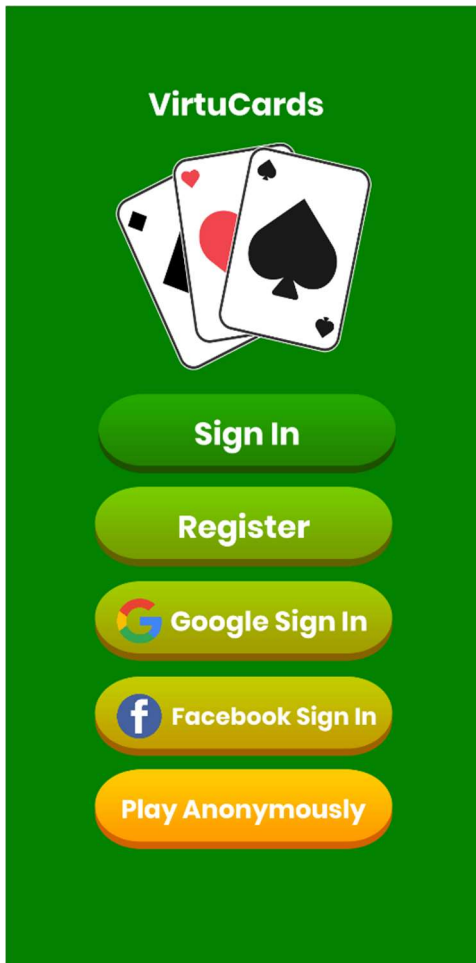

The chosen Avatar should be displayed in the profile screen still.

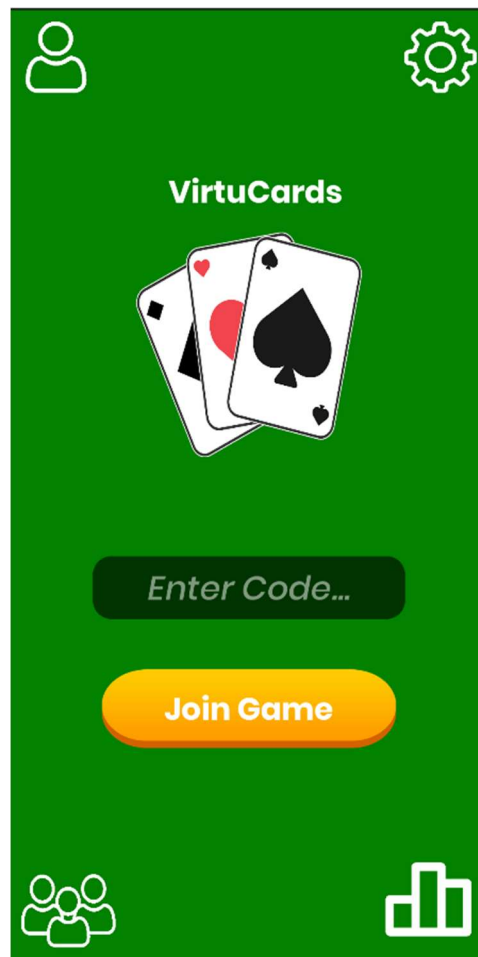

Test 5

1. Start VirtuCardClient application
2. Click the button labeled "Play Anonymously"
3. Click the Profile icon located in the top left of the screen.
4. Click the button labeled "Edit Avatar"

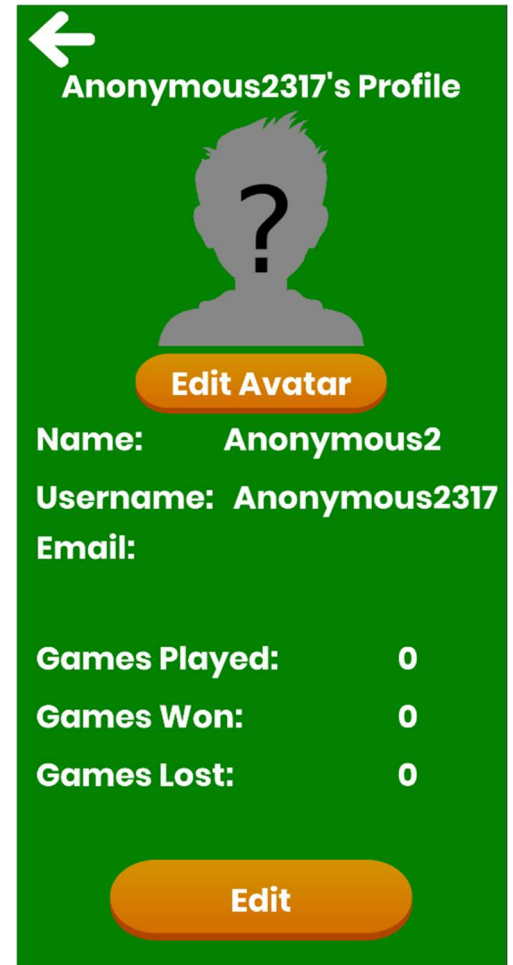

Expected Result: There should be an Error panel that should not allow the user to change their Avatar

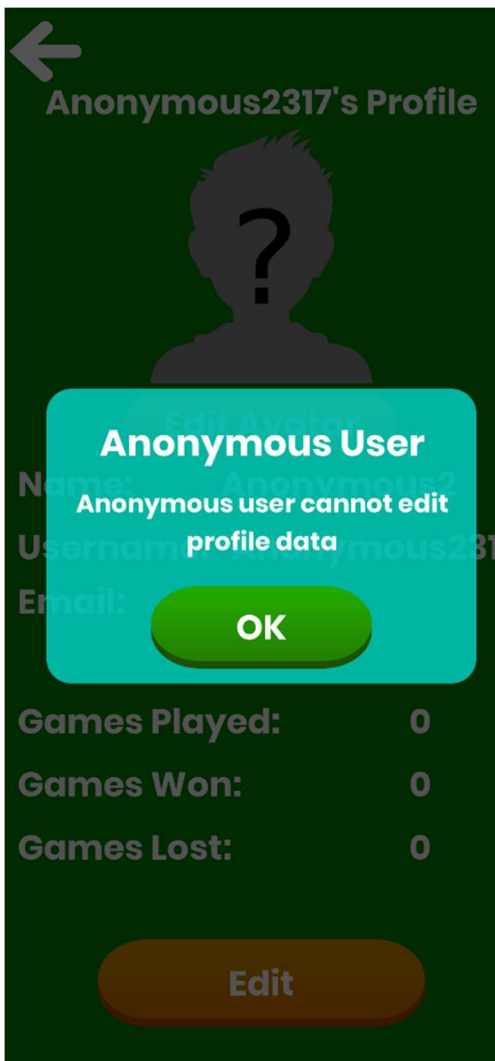

Click the Play Anonymously button.

Click the Profile Icon on the top left of the Join Code screen.

Click the Edit Avatar button.

The Expected Result is an Error panel that says Anonymous users cannot edit their profile data.
