

Test Case 0046

System: VirtuCardsClient

Description: Test to ensure that a client can select a new Avatar

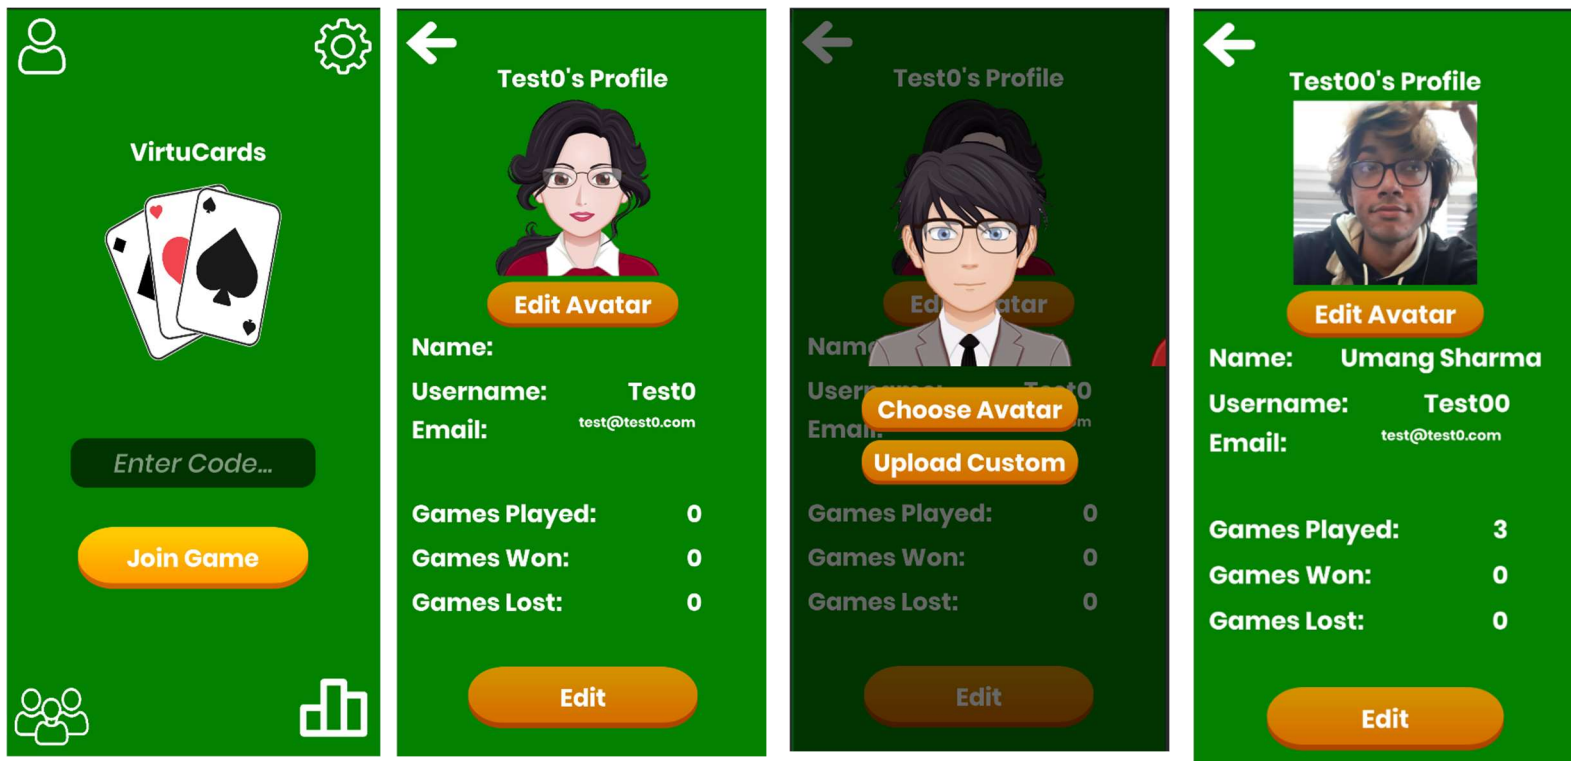

Severity: 3

Instructions

Test 1

1. Start VirtuCardClient application
2. Click the button labeled "Sign In"
3. Enter "test@test0.com" into the text input labeled "Enter email..."
4. Enter "Password!123" into the text input labeled "Enter password..."
5. Press the button labeled "Login"
6. A window should appear saying "Login Success"
7. Press the OK button that appears on that window
8. Click the Profile icon located in the top left of the screen.
9. Click the button labeled "Edit Avatar"
10. Click the button labeled "Upload Custom"
11. Select an image from the device as the new Avatar.

Expected Result: The profile page should show the chosen image as the Avatar

The above images outline the steps mentioned in choosing a new Avatar after logging in. The first image is the screen displayed after logging in; the second image is the profile screen viewed after clicking the profile icon; the third image is the 'Choose Avatar' screen seen after clicking the button of the same name; and the fourth image is the profile screen after selecting a new avatar.

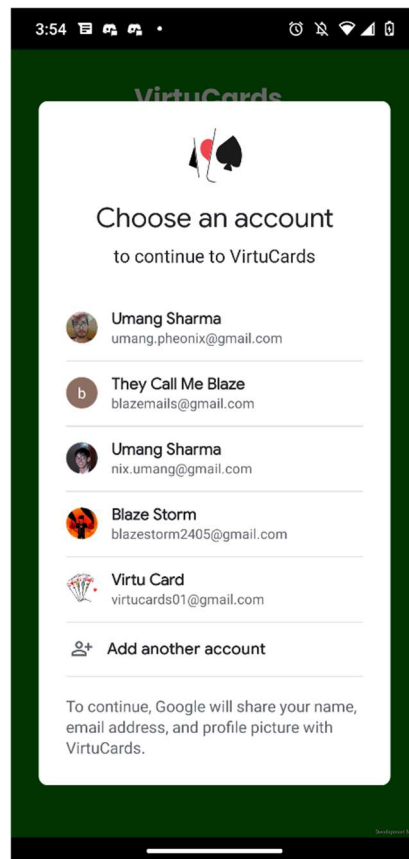

Test 2

1. Start VirtuCardClient application
2. Click the button labeled "Google Sign In"
3. Choose a Google account you would like to sign-in with.
4. Click the Profile icon located in the top left of the screen.
5. Click the button labeled "Edit Avatar"
6. Click the button labeled "Upload Custom"
7. Select an image from the device as the new Avatar.

Expected Result: The profile page should show the chosen image as the Avatar

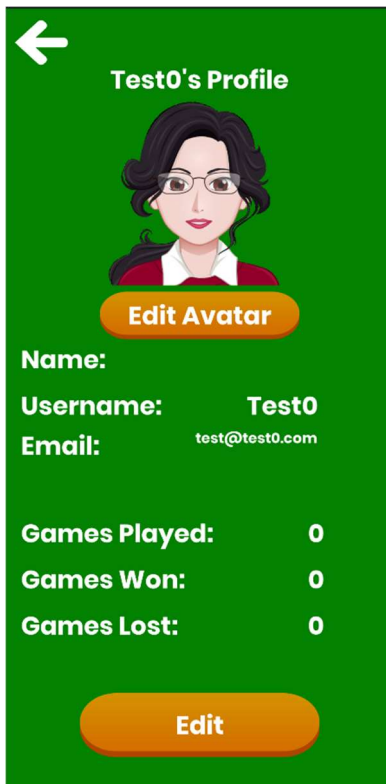

The above image displays the landing page. The Google Sign in button is highlighted as this is the sign-in method used in this test.

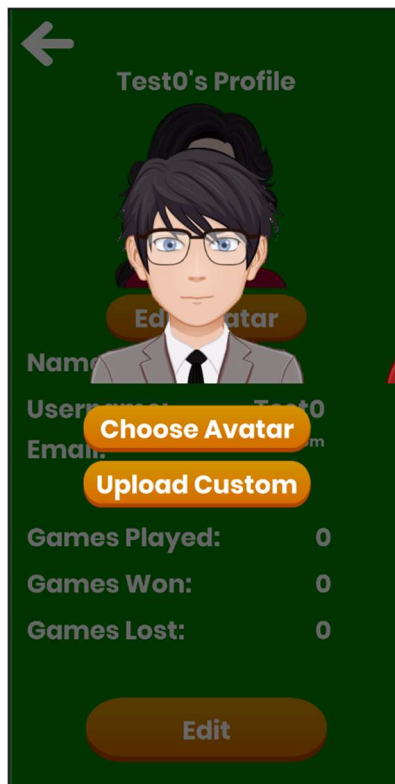

The above image displays the screen after the user presses the Google Sign in button. Choose your desired account from the ones displayed on your screen. The accounts above are examples

The Join Code screen will load after the user chooses their desired Google account. Click the Profile Screen icon in the top left.

The above image displays the Profile Screen. Click the Edit Avatar button.

Click the button labeled Upload Custom and choose an image from the device as the new Avatar.

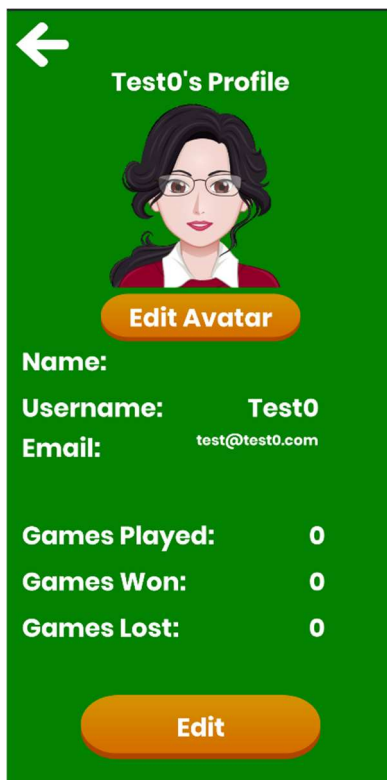

The Expected Result is that the chosen Avatar is shown above the Edit Avatar button now.

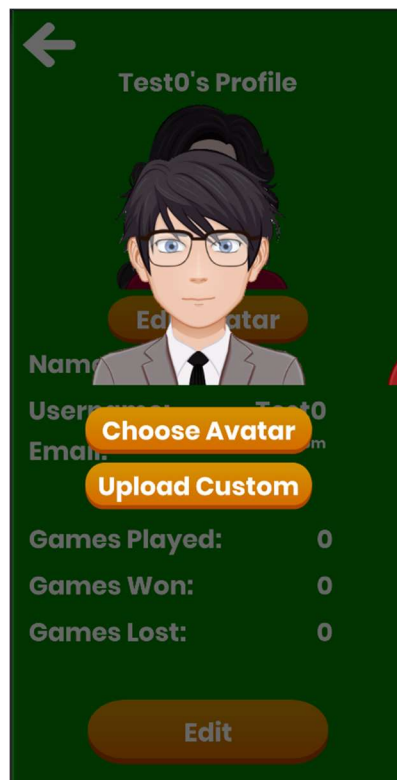

Test 3

1. Start VirtuCardClient application
2. Click the button labeled "Sign In"
3. Enter "test@test0.com" into the text input labeled "Enter email..."
4. Enter "Password!123" into the text input labeled "Enter password..."
5. Press the button labeled "Login"
6. A window should appear saying "Login Success"
7. Press the OK button that appears on that window
8. Click the Profile icon located in the top left of the screen.
9. Click the button labeled "Edit Avatar"
10. Click the button labeled "Upload Custom"
11. Select an image from the device as the new Avatar.
12. Close the application
13. Start another instance of the VirtuCardClient application
14. Repeat Steps 1-8.

Expected Result: The profile page should show the chosen image as the Avatar after restarting the application.

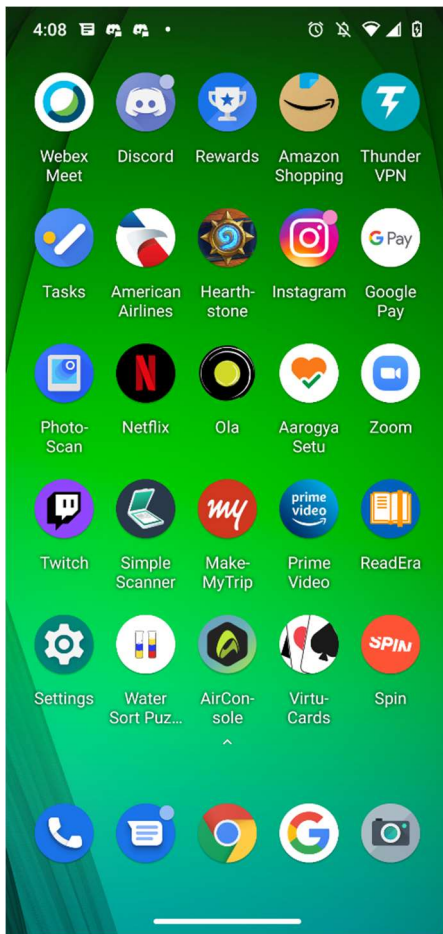

Click the Edit Avatar button on the Profile screen to change the avatar.

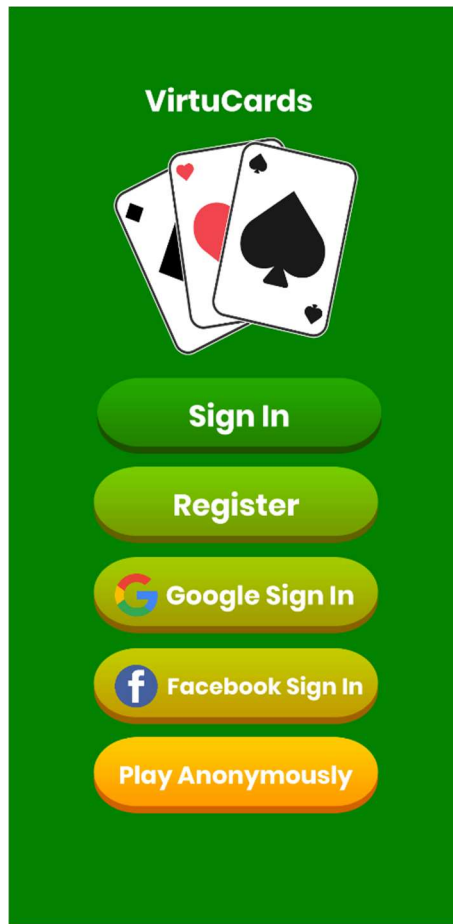

Click the button labeled Upload Custom and choose an image from the device as the new Avatar.

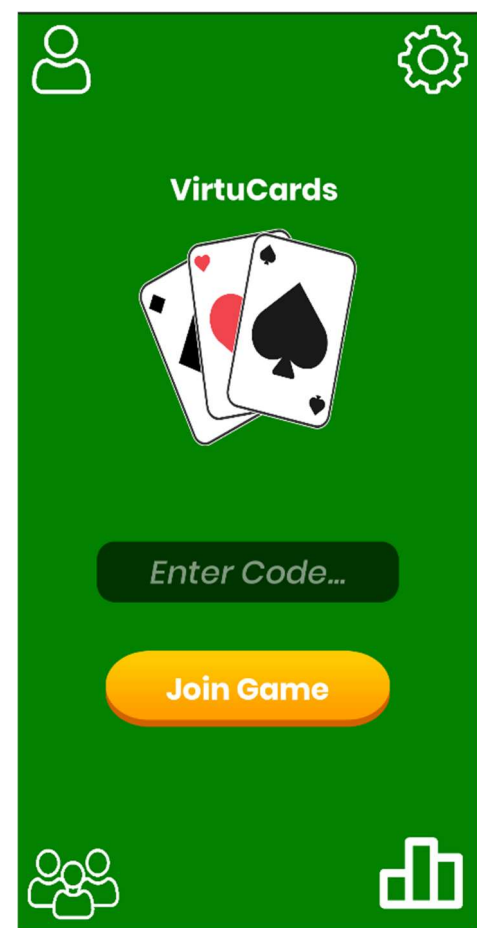

The new Avatar should be shown now above the Edit Avatar button.

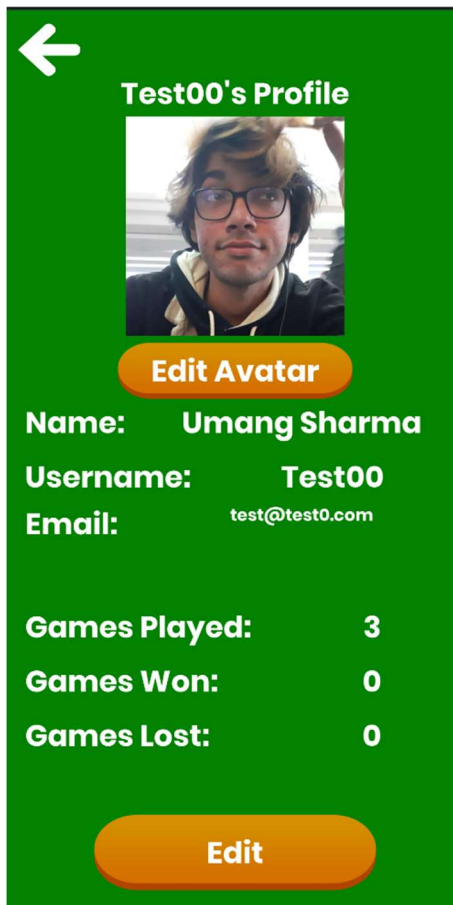

Close the VirtuCards application.

Restart the VirtuCardsClient application, and sign-in using the credentials mentioned above.

Click the Profile Icon in the top left screen.

The Profile Screen should display the chosen Avatar now.

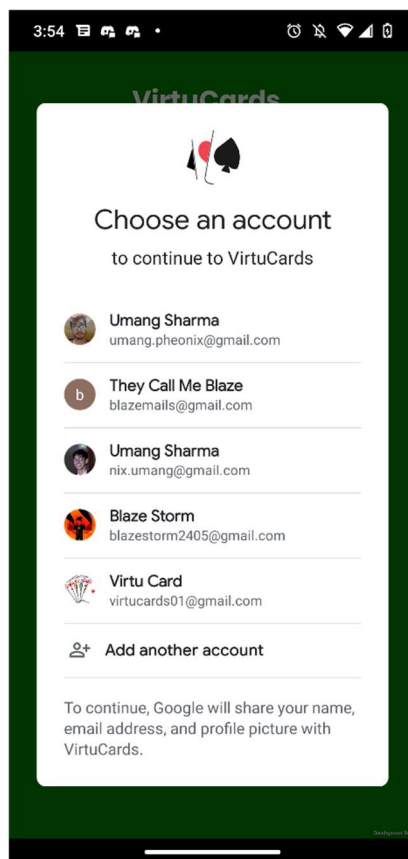

Test 4

1. Start VirtuCardClient application
2. Click the button labeled “Google Sign In”
3. Choose a Google account you would like to sign in with.
4. A window should appear saying “Login Success”
5. Press the OK button that appears on that window
6. Click the Profile icon located in the top left of the screen.
7. Click the button labeled “Edit Avatar”
8. Click the button labeled “Upload Custom”
9. Select an image from the device as the new Avatar.
10. Close the application
11. Start another instance of the VirtuCardClient application
12. Repeat Steps 1-6.

Expected Result: The profile page should show the chosen image as the Avatar after restarting the application.

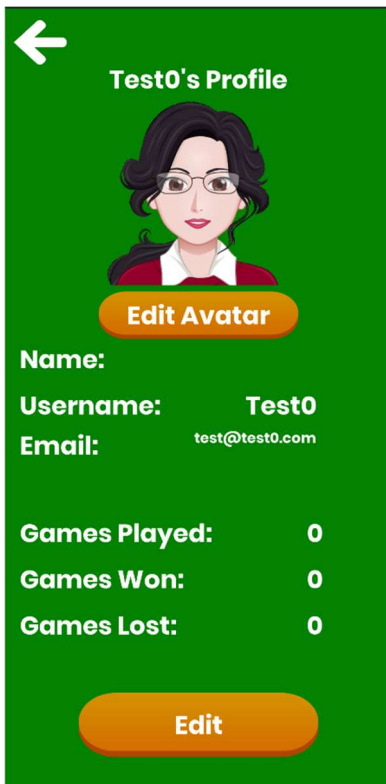

Click the Google Sign In button on the landing page.

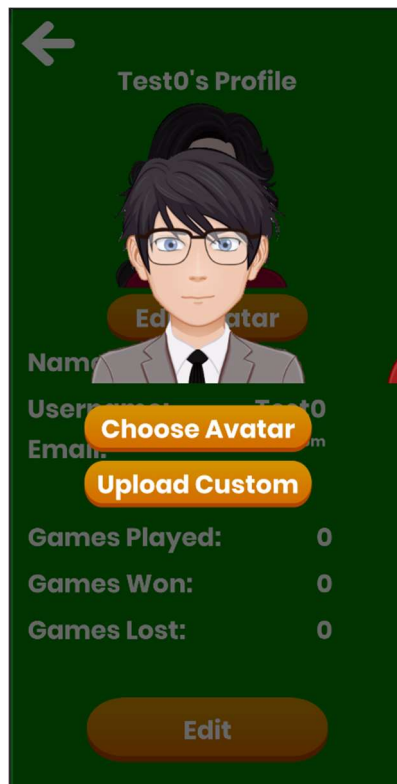

Choose your desired Google account.

Click the profile icon in the top left of the screen.

Click the Edit Avatar button.

Click the button labeled Upload Custom and choose an image from the device as the new Avatar.

The chosen avatar should now be displayed on the profile screen.

Close the application.

Restart the application and click the Google Sign In button.

Click the profile icon in the top left of the screen.

Test00's Profile

Edit Avatar

Name: Umang Sharma
